**Country Club Is Being Improved; to Rebuild Road**

At a meeting of the board of directors of the Putnam County Country club yesterday additional improvements to the clubhouse were ordered and it was decided to begin work at once improving the road from the main highway to the clubhouse. It is expected that this work will be completed within the next two weeks.

The board also passed a resolution that all life members be asked to voluntarily surrender their life membership certificates and take in lieu thereof \$250 worth of stock. The purpose of this is to enable the club to borrow money to complete the golf course and make other improvements. The work of painting the clubhouse is under way, and the interior will also be improved.

**Baptist Sunday School Picnic to Be at Silver Lake**

The annual picnic of the Baptist Sunday school will take place tomorrow afternoon at Silver Lake. The children and teachers, as well as parents who desire to attend the picnic, are requested to meet at the church at 2 o'clock, where cars and trucks will be in waiting. At the lake the picnicers will enjoy bathing and games, after which the basket dinner will be spread, and the trip back to the city will be made by moonlight.

**Vivian Martin in a Picture Depicting Scenes in Florida**

William J. Locke's widely read novel, "An Old World Romance," has been adapted to pictures with Vivian Martin in the leading role, that of the blind girl, leading a lonely life in the midst of the Florida Everglades and will be the attraction at the Grand tomorrow.

The title of the picture adaptation is "The Song of the Soul." The story of the feature is a novel one, having to do with the courtship and marriage of two people unusually afflicted, since the wife is blind and the husband's face is terribly scarred by a burn received in his boyhood. How these two, one seeking solitude in the "backwater" country, the other forced to live there because of her affliction and property interests, work out their salvation and find great happiness and contentment in each other makes one of the most appealing and unique romantic dramas of the year.

Back of the actual drama is to be found added entertainment in the scenic feature given the picture. The production was photographed on the actual ground where its scenes were laid and some excellent shots have been obtained. In support of the star is a strong cast that includes Fritz Lieber, Charles E. Graham and Ricca Allen.

Some homes have a restful air, and some are decorated by a daughter who is "artistic."

Speakers pledged the hearty co-operation of the two organizations, which are both working with the same end in view, a new St. Mark's church and a splendid new organ.

After a pleasant social hour Mrs. Coughlin, assisted by Mrs. I. H. Randolph, Mrs. J. M. Harrell and Mrs. Ridley Wilkinson, served her guests with delicious ice cream and cake.

## BEFORE BABY COMES

### Watchful Care of Health Necessary

#### Lydia E. Pinkham's Vegetable Compound a Marvelous Help

West Orange, N. J. — "I was very nervous and upset for six months before my baby was born. One of my friends told me to take Lydia E. Pinkham's Vegetable Compound and I have taken it for five months now. I have a big boy who weighed almost nine pounds at birth and I do all my housework and don't feel a bit nervous or upset any more. I still take your medicine and have told all my friends what good it has done me."

Mrs. MARGARET GRAYSON, 440 Valley Road, West Orange, N. J.

West New York, N. J. — "The first two months I carried my baby I was in bed almost every day with sick headaches. I tried Lydia E. Pinkham's Vegetable Compound and the first bottle helped me. I took seven more and I know I couldn't feel better than I did. The headaches stopped and I was able to do my own work. I have a baby girl six months old who weighs twenty pounds and is the picture of health." — Mrs. J. McCoy, 297 20th St., West New York, N. J.

**Nervous and Run-Down**  
Biloxi, Miss. — "Just a word of praise for Lydia E. Pinkham's Vegetable Compound. I took it with wonderful results before my baby was born. I was so nervous and run-down that I could not stay still or sleep nights. My husband was reading your 'ad.' in the paper and I decided to try your Vegetable Compound. After I had taken half a bottle I felt a change and was soon as well as ever. I took it the whole time and recommend it to every woman who is suffering as I was. People said that because I was so young I would never pull through and I praise your Vegetable Compound for my good health." — Mrs. ENOCH J. STEVENS, 289 Fayard St., Biloxi, Miss.

Chicago, Ill. — "I recommend Lydia E. Pinkham's Vegetable Compound for all prospective mothers. I suffered from weakness and faint spells and had to lie down twice a day for an hour or so before I could go on with my work. My cousin, who lives in Wisconsin, has used your Vegetable Compound for over five years and she came to us for a visit and she recommended it to me, saying she would pay for the bottle if it did not help me. I took that bottle and got more, as I found it gave me great relief. I recommend it to my friends and sisters and am willing for you to use these facts to help others." — Mrs. L. J. KUMSKI, 1813 W. 17th St., Chicago, Illinois.

Lydia E. Pinkham's Vegetable Compound should be taken by expectant mothers. It will assist them in keeping well and strong. This is necessary not only for their own comfort but for the future as well. It helped these women. It has helped many others.
